UNDERGRADUATE LEVEL

Second Undergraduate Degree Seeking
Students who truly wish to pursue a second undergraduate degree in a different program of study from their original degree can apply as a second undergraduate degree applicant. You may be eligible for federal financial aid and will not be allowed to enroll in graduate level coursework.

GRADUATE LEVEL

Applying for Non-Degree Post-Baccalaureate Admission
Graduate Studies is designed to meet the needs of all post-baccalaureate students unless they are seeking a second bachelor’s degree. A student may wish to take classes at either the undergraduate or graduate level for personal development, preparation for a new field of study, or in order to take classes while applying to a degree program. Students may also enroll as post-baccalaureate students for an initial teacher certification, renewal of teacher certification, or additional teaching endorsement. This is ideal for a student who needs to take additional pre-requisite courses for professional school (Medical, Dental, etc.)

Federal financial aid may be available for students who are taking prescribed course work to prepare for a degree program or are enrolled in a teacher certification program. For more information, contact the Office of Scholarships and Financial Aid at (402) 472-2030. Tuition for any undergraduate coursework completed in this enrollment status is assessed at the undergraduate level.

Applying for Admission to a Degree Program
For information about application procedures for graduate study at UNL, visit the Graduate Studies website at unl.edu/gradstudies. This website contains links to graduate departmental websites at which program and application instructions may be easily accessed. For degree and non-degree admission, an on-line application can be submitted via the Internet directly to the Office of Graduate Studies. In each case, the $45 application fee may also be submitted online.
Please complete and return this form to the Office of Admissions.

Using the descriptions provided on the previous page, select the application type that most closely describes your educational goals and mark one of the four options below:

**UNDERGRADUATE**
- □ Visiting Student
- □ Second Undergraduate Degree
  *If choosing this option, select one college and indicate a major in that college.*
    - ○ Agricultural Sciences & Natural Resources
    - ○ Architecture
    - ○ Arts & Sciences
    - ○ Business Administration
    - ○ Fine & Performing Arts
    - ○ Education & Human Sciences
    - ○ Engineering
    - ○ Journalism & Mass Communications

Major: Indicate your major: ________________________________

**GRADUATE**
- □ Non-Degree Post-Baccalaureate Admission
- □ Graduate Admission

Provide a brief description of your educational goals:

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

List all previous degrees obtained and from what institution they were earned:

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

Print Name _________________________________  NU ID ____________________________

Signature _________________________________  Date _____________________

If you have any questions or would like more information regarding the options available to students returning with a degree, contact the Office of Undergraduate Admissions.
